

# CHAMISAL VINEYARDS

THE HISTORIC 85-ACRE CHAMISAL PROPERTY, the first vineyard planted in the Edna Valley, has long been producing wines of a distinctive character. With the ideal climate for Pinot Noir and Chardonnay and a diverse array of clonal selections planted, the wines are bold, intense and complex, and reflect the natural characteristics of this remarkable estate.

## SMALL LOT

Created to showcase unique areas or clones grown on our vineyard, our small lot wines are rare treasures.
