

# Cabernet Sauvignon

## COLUMBIA VALLEY

**I**N 1980, one hundred years after our family began farming in Eastern Washington, we planted the old blocks of Seven Hills Vineyard. Along with my father, Vicky and I founded Seven Hills Winery in 1988. From that first vintage, my goal has been to craft intensely structured, balanced wines that express their vineyard origin.

This Cabernet is diligently sourced from some of the finest small vineyards in the Columbia Valley. These complimentary sites allow us to capture the true nature of Cabernet Sauvignon as expressed in Washington. Supple and generous, yet serious in structure showing sweet plum, marionberry, cocoa, and desert herb.
