

2013 CORTINA ZINFANDEL

The core of this blend comes from our Cortina Vineyard planted in 1972 in Dry Creek Valley. This site is named after the gravelly loam soils prevalent up and down Dry Creek Valley. Due to the prevailing afternoon breezes in Dry Creek Valley, the flavor profile tends towards red fruit.

WINE SPECTATOR

This captures such a distinct sense of place that it almost smells like Dry Creek Valley. Briary raspberry and smoky cinnamon aromas lead to complex, layered flavors of dried sage, licorice and dark cherry. Tannins sneak in on the finish. Drink now through 2024.

TIM FISH, OCTOBER 2015
