

## 2014 OLD VINE ZINFANDEL

*Our Old Vine Zinfandel* blends vineyards planted on the Dry Creek bench and the cooler southwest Alexander Valley. Although “old vine” is often loosely interpreted in the wine industry, our benchmark is minimum 50 years. However, the average age of our vines is approximately 70 years old. True old vine Zinfandel is distinguished by head-trained vines with thick, gnarled trunks and is planted with ancient clones dating back to the turn of the century.

91 *Points*

WINE SPECTATOR

*Dense and rustic*, with no shortage of personality. Aromas of dried cherry and smoky herb lead to dense flavors of briary plum, licorice and spiced sage. Best from 2018 through 2025.

TIM FISH, MARCH 2017
