

2016 SONOMA ZINFANDEL

Seghesio Family Vineyards' roots are firmly planted in Zinfandel, as our founder, Edoardo Seghesio, first planted this historic varietal on our Alexander Valley Home Ranch in 1895. Today, we share his passion as we farm estate Zinfandel in Alexander and Dry Creek valleys. This wine combines sites that have produced Zinfandel for over a century with newer sites that utilize proprietary clones and the most advanced viticultural practices.

“Plump and loaded with rich, jammy fruit, this Zinfandel is a pleasure to drink. Bold accents of wild berry, spicy cinnamon and licorice glide dynamically toward plush tannins.”
