While honoring the winemaking legacy that has earned Pine Ridge its reputation, our open sourcing approach brings together the best fruit, regardless of appellation, to craft wines of exceptional quality and distinctive style.

THE FLAVOR PROFILE This bottling boasts a fragrant bouquet of sweet red cherry, ripe blackberry and fresh cranberry notes intermingled with touches of briar, rose and bay leaf. Entering with a flood of stewed blueberry, ripe black plum and cassis flavors, the palate is plush and plentiful, backed by supple tannins and hints of creamy cocoa and sweet oak on the finish.
