DOUBLE CANYON

PORTFOLIO OVERVIEW

ESTABLISHED IN 2007, Double Canyon's driving focus is crafting exceptional Cabernet Sauvignon from great vineyard sites across Washington's best appellations. Double Canyon wines reflect unique traits resulting from the region's volcanic activity, ancient glacial deposits, desert soils and the persistent wind that blows off the Columbia River.

HORSE HEAVEN HILLS CABERNET SAUVIGNON

Located between the Columbia River and the Yakima Valley, Horse Heaven Hills is characterized by a dry desert landscape where strong winds blow continuously across the vineyards. The climate and soils here produce Cabernet Sauvignon with ripeness and depth, while maintaining natural acidity.

From this relatively large appellation, we focus our efforts around the community of Alderdale, the area we consider capable of the highest quality. This fruit is sourced from a collection of vineyards which we have longstanding relationships.

2016 VINTAGE

SOURCES	Double Canyon Vineyard, Phinny Hill Vineyard, Destiny Ridge Vineyard, Alder Ridge Vineyard, Horse Heaven Hills	BARREL REGIMEN	14 months, 60% new oak; 60% American, 40% French
BLEND	88% Cabernet Sauvignon, 6% Syrah, 3% Petit Verdot, 2% Merlot, 1% Malbec	PRODUCTION	10,000 cases produced
		SUGGESTED RETAIL	\$25

RED MOUNTAIN CABERNET SAUVIGNON

Warmer than both Walla Walla Valley and Horse Heaven Hills, Red Mountain benefits from heat, low rainfall, and sandy loam and gravel soils that produce highly concentrated fruit. These conditions result in smaller berries and higher tannin presence, which is why Red Mountain wines are renowned for their powerful, robust nature.
