

2014 PINOT GRIGIO

Seghesio Family Vineyards has grown grapes in Russian River Valley since 1961. In 1995, we began an aggressive move toward producing all estate-owned or -farmed wines that included an extensive vineyard-replanting program. Pinot Grigio was part of that plan to grow intriguing varieties in the most appropriate sites. Noted for its unusual grayish/pink clusters and shared lineage with Pinot Noir, Pinot Grigio is well suited to the cooler climate of the Russian River Valley.

VINEYARDS

Estate Keyhole Ranch in Russian River Valley

VINTAGE

2014 began with a mild winter, followed by a dry summer with warm days and cool nights which helped to gradually ripen the fruit, making 2014 one of the earliest harvests to date.

VINEYARD REGIMEN

Our crews adjusted canopy density, removing leaves several times during the season to achieve optimum sunlight. A green harvest to remove fruit on weak shoots and stacked clusters was completed. Veraison thinning was performed to remove unevenly ripened clusters and to help tighten uniformity of the crop.

FERMENTATION REGIMEN

Whole-cluster pressed, 100% stainless steel tank fermented. The wine is left sur lie in tank until bottling to add richness and textural complexity while maintaining pure, bright varietal characteristics.

FOOD AFFINITIES

Asian cuisine, shellfish, white meats (especially pork), Gruyere-style cheese and prosciutto-wrapped melon

TASTING NOTES

Enticing bouquet of bright, pure varietal essence

Flavors of sweet melon and juicy white peaches

Rich and creamy mouthfeel adds complexity

Delicate acidity with a clean finish

HAND-HARVESTED

Keyhole Block 10: September 2, 2014
Keyhole Block 9: September 9, 2014
Keyhole Block 3: September 17, 2014
