PASSION

Each year we assemble this wine lot by lot from vineyards that span Sonoma County's landscape including Dry Creek Valley, Alexander Valley and Russian River Valley. We integrate only those lots that meet the highest standards to produce the style for which Seghesio Family Vineyards is known.

CONSISTENT QUALITY

Sonoma Zinfandel has been incredibly consistent, receiving 90+ point scores from Wine Spectator for every vintage going back to 2009.

AMAZING VALUE

This 93 point score represents the highest Wine Spectator score of a red wine from Sonoma County under \$30 since our 2014 Sonoma Zinfandel.
