2018 VERMENTINO
RUSSIAN RIVER VALLEY

Vermentino is thought to have originated along the Mediterranean coastline of northern Italy, and is widely planted in close proximity to the Ligurian Sea. Though the origins of this expressive white grape are unclear, it is recognized that Vermentino thrives in coastal climates. Thus, in 2008 we planted Vermentino at our Keyhole Ranch in Russian River Valley, where the warmth of the sun and prevailing cool nights produce a wonderfully fragrant and bright white wine.

WINE ENTHUSIAST

“This wine is waxy in apple and lemon flavors, with an underlying floral accent. The texture takes on a slight creaminess that melds with its foundation of lively acidity.”

VIRGINIE BOONE, OCTOBER 2019
