PTS TOP 100 BEST BUYS

Seven Hills Winery makes such classic Wall Walla wines that it's tempting to say they invented the style; they have, without question, served as a standard bearer. That style combines savory elements, like tobacco, tanbark, cedar and sundried tomato, enveloping a dark-fruited core. You can feel the force of its texture, with a pleasing grip that owes as much to its acids as its tannin. For a braised beef dish, like daube. (2022 TOP 100 BEST BUYS)
